

CASTLEWOODS COUNTRY CLUB

Membership Information

Welcome

Castlewoods Country Club provides a lifestyle that your whole family can enjoy. With a variety of interests like social events, fitness options, swimming, tennis, pickleball, children's events, and golf tournaments, we aim to enrich the lives of you and your family.

Our signature golf course, "The Bear," is a creation of the Jack Nicklaus Group. This championship course, with its 18 holes stretching up to 7,022 yards, is a Par 72 course that challenges seasoned players while still offering an enjoyable experience for beginners. You'll find a unique and well-maintained golf course with rolling fairways and new well-groomed greens.

In 2016, our club underwent a transformation under new ownership, leading to numerous enhancements across the club. Since then, the golf course has seen several upgrades, including a complete bunker renovation, a new irrigation system, the purchase of maintenance equipment, and repairs to drainage issues and cart paths. In the summer of 2023, we installed new TifEagle greens, and we're receiving a new fleet of carts in spring 2024.

In spring 2020, we revamped our sports and activity center, featuring a resort-style pool with a slide, diving board, and splash pad. We've also added a fitness area and snack bar. Our five illuminated tennis courts and two pickleball courts allow for day and evening games, providing a wonderful opportunity for you and your family to connect with other members and neighbors.

Our clubhouse serves delicious food from Tuesday to Sunday. Thanks to our "Resort Status," we can serve a wide range of beverages at our full-service bar. Our social calendar is packed with a variety of activities throughout the year that cater to all age groups. Parents can let their children play in our playground area while they dine and socialize. We have two indoor dining areas, a patio with a fire pit, and a large deck available for hosting private parties or corporate events. We'll work with you to customize your menu, whether your party is big or small, ensuring a memorable experience for you and your guests.

Our members are the backbone of Castlewoods Country Club. They are active, friendly, and take pride in being part of what we believe is the best club in the area. Whether you're relaxing over drinks in the lounge, networking on the golf course, socializing over a game of tennis, or unwinding at the pool, we invite you to be part of the Castlewoods Country Club experience. With more entertainment, events, and amenities than ever before, each season offers opportunities to connect with friends and forge new relationships. Our goal is to provide the highest level of amenities for everyone to enjoy.

We invite you to explore Castlewoods Country Club and find a membership package that meets your needs. All golf memberships include access to our sports and activity center, three practice areas, unlimited range balls and in-house charging privileges. We also offer memberships with unlimited cart use. Membership at our club provides endless entertainment and networking opportunities. So, come and join our vibrant community and experience all that Castlewoods Country Club has to offer.

Sincerely,

The Board of Directors of Castlewoods Country Club

Castlewoods Men's Golf Association (CMGA)

The CMGA welcomes you to join their lively organization. As a current member of Castlewoods Country Club with an established World Handicap System handicap, you can attend CMGA-sponsored dinners and participate in eight tournament events during the season. Points earned during the season determine the top 30 golfers who qualify for the year-end Trout Cup Championship (our local version of the FedEx Cup). Each of the eight tournament events is unique, affordable, and except for one, are single-day events. You can join the CMGA at any point in the year for a \$40 joining fee. For more information, contact David Fiveash (CMGA President) at david5ash@outlook.com.

Seniors Men's Golf Association (CSMGA)

The CSMGA invites you to join their group which plays from Tuesday to Friday. There's a shotgun start every weekday at 8:00 a.m., shifting to 9:00 a.m. after the time change in November. If you're interested in joining, please contact Larry Manville (President) at larrymanville@yahoo.com or 601-672-8690.

Castlewoods Ladies Golf Association (CLGA)

The CLGA welcomes new members of all skill levels. The annual membership fee is \$30, covering weekly play and the chance to participate in interclub competitions at various courses in the tri-county area for a minimal fee. There are social events throughout the year that offer a great opportunity to connect with other female golfers. For more information, please send email to toni@castlewoodscountryclub.com.

Wolf Group

This group enjoys a good game of Wolf, played from Tuesday to Friday starting at 12:00 p.m. In addition to Wolf, they have side bets during the round such as longest drive, closest to the hole, rabbit, and each group will play against each other. For more information on this group, please contact Bobby Park at bpark602@att.net.

Men's Weekend Group

This group tees off at 9:00 a.m. on Saturday and Sunday, every weekend except tournament days. All ages and skill levels are welcome. Teams are formed based on handicap and the cost is \$10 per player. The group with the lowest net and gross wins the pot. Registration in the pro shop is required at least 30 minutes before teeing off. This group offers a great opportunity to meet other club members.

Wednesday Scramble

This seasonal, 9-hole golf scramble starts at 5:30 p.m. (weather permitting) and is a fun event for everyone, with each team having a chance to win in a unique format. The entry fee is \$25 for members and \$40 for non-members. The fee provides gift cards for the winners and a \$5 ticket for each participant that can be redeemed for food or beverage.

All golf shop credit must be redeemed by December 31st of each year.
Any remaining credit will be deleted from the system each January 1st.

Tee Time Reservations

To schedule your tee time, please contact the pro shop at 601-882-9030 or make a reservation on our website. Members have the privilege of booking tee times up to 30 days in advance. We allow a maximum of five players per group. All golfers, even those with a private cart, must check in with the pro shop before playing.

Member Guest Fees

Please consult the pro shop for the latest rates.

The Golf Shop

Our pro shop offers a broad selection of golf apparel, equipment, and accessories throughout the year. Our club's PGA Golf Professional provides complimentary custom equipment fitting and allows members to test the latest technology on the range and course. Our staff provides a comprehensive range of equipment repair services, including regripping, loft adjustments, and reshafting, among others.

Handicap System

Golf Members who wish to participate in our Club Tournaments must establish a handicap. Visit the Golf Shop, and we'll guide you through the process of posting your scores. If you were a member at another club before joining CCC, we only need your GHIN # to transfer your USGA Handicap. To establish a handicap, you must post five 18-hole rounds or an equivalent number of 9-hole rounds that will be combined. Members are billed \$30 annually.

Golf Instruction

Maximizing your potential will greatly enhance your enjoyment of the game. Our philosophy is to "understand your desires and needs and formulate a strategy for your success." Whether it's through a structured program or individual private lessons, the end result is the same: satisfaction and enjoyment! Our PGA Professional, Jeff Marks, is ready to help. Jeff is certified in golf instruction by Nicklaus/Flick golf schools and is a former Director of Instruction with Jimmy Ballard golf schools.

Junior Golf Clinics

Jeff conducts Junior Golf Clinics that include instruction on the full swing, short game, rules, and etiquette.

Dress Code

Appropriate golf attire, which includes a collared shirt, is mandatory on the golf course, driving range, and practice holes.

Driving Range and Practice Area

Practicing and warming up are crucial for improving your game and enhancing your enjoyment of it. The range closes daily at 7:00 p.m. during peak times to allow for complete range picking in preparation for the next day. On Sundays, the range closes at 6:30 p.m. Please be aware that these hours may change due to daylight saving time, adverse weather, and seasonal variations. Removing range balls from the practice area is not allowed.

Golf Course Etiquette

Members and their guests are expected to adhere to the following golf course care guidelines:

- Properly repair all ball marks using an appropriate greens repair tool to eliminate any bare areas. Push the turf forward towards the front of the ball mark instead of lifting the soil upward.
- Practice is only allowed in designated practice areas on the golf course. Avoid hitting multiple practice shots on the course.
- Maintaining a good pace of play is essential for everyone's enjoyment of our course. All players must keep up with the group ahead and avoid unnecessary delays. Allow faster groups to play through. Each 18-hole round should be completed within 4 hours and 15 minutes. The Marshal has the authority to ensure play proceeds at an appropriate pace.
- Rake bunkers and leave rakes inside the bunkers.
- Remove broken tees from the teeing ground.
- Fill divots on tees and fairways with sand. Avoid overfilling the divot or replacing it as this can slow down the healing process.
- The course and range are closed on Mondays.
- Jogging, bicycling, fishing, or recreational walking are not permitted on the course or cart paths.

Cart Rules and Enforcement Procedures

Adherence to the daily cart rules at Castlewoods Country Club is crucial for maintaining the positive progression of the turf on the golf course. Please remember the following:

- Always check in with the pro shop attendant to know the cart rule of the day.
- When the rule is 'cart path only', carts must always remain on the path.
- Under the 90-degree rule, carts can cross the fairways at 90 degrees, then turn and return to the path at 90 degrees. Carts must stay on the path near the tee boxes, avoid the closely mown walking path near the tee boxes, stay on the path at all the split rail fence on the course, and return to the cart path at the white lines in the fairway. Avoid parking next to the white line as it stresses the turf.
- To minimize wear and tear on the course and our golf carts, only two people are allowed per cart.
- All golf cart operators must be at least 16 years old and possess a valid driver's license.

The enforcement of the rules will take place in the following ways:

- Guests who ignore the rules of the day will be made to cease their round without a refund.
- Members who ignore the rules of the day will be assessed a \$50 fine on their next bill.

Private Cart Policies

- Check in at the pro shop even with a private cart. If you start on a hole other than one, please call the pro shop and let us know. If there is a group coming up behind you that started on one, they have the right of way to the next tee.
- Only one cart shall be allowed per member. Only people covered under the family membership are permitted to use that family's private cart.
- Dual membership on one cart is not allowed.
- Children under 16 may not operate a golf cart.
- When children move away from home or get married, they relinquish the right to use the cart.
- All private cart owners must have a membership that includes cart use. All private carts must have a club issued decal. Any member using a private cart that is not covered under their membership will be fined \$50.

Push/Pull Cart Policies

Push Carts should remain on the cart path in the vicinity of tees. At no time should the Push Cart be on the teeing ground. Push Carts should not be taken on the approaches or fringes of the Green. Push Carts should not be used within ten feet of any Green or Bunker. Whenever practical, Push Carts should remain on the cart path.

Beverage Cart

Weather permitting, our beverage cart service is provided Friday, Saturday and Sunday. It will be stocked with an assortment of food and beverages. Snacks and beverages are also available for purchase in the pro shop prior to play. No outside food or beverages are allowed on the course.
